

THE 2005 COMPLIANCE SUPPLEMENT UPDATE

NOTE TO USERS

The 2005 Compliance Supplement (Supplement) Updates amend the 2004 Supplement and should be used in conjunction with the 2004 Supplement to perform audits for fiscal years beginning after June 30, 2004. The updates include new or significantly changed programs in Parts 4, those parts of the Supplement that relate to the Part 4 changes, and updated appendices. There are no changes to Part 3 for this year's Supplement. For programs with minor changes, the changes are listed in Appendix V. Users should note these minor changes to the affected programs in part 4 of the 2004 Supplement.
