CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

CFDA 94.006    AMERICORPS

I. PROGRAM OBJECTIVES

The AmeriCorps national service program provides funds to national and locally based organizations to address educational, public safety, human and environmental needs in communities throughout the United States.

II. PROGRAM PROCEDURES

The Corporation for National and Community Service (Corporation) distributes approximately two-thirds of the funds available for AmeriCorps programs to Commissions on National and Community Service in the various States (one-third on a formula basis and at least one-third on a competitive basis). The State Commissions then award grants to approved applicants for community service programs within their states. The Corporation directly awards the remaining one-third of available AmeriCorps program funds to approved applicants (unless the amount available for this purpose is limited by appropriations acts), with one percent of the funds being set aside for Indian Tribes and one percent for grantees in U.S. Territories.

In addition to grants to fund AmeriCorps programs, State Commissions also receive grants from the Corporation to finance their administrative operations. These grants are made under a program titled State Commissions (CFDA 94.003), which is not included in Part 4 of this Supplement. Also not included in this Supplement are AmeriCorps programs funded under Subtitle H of the National and Community Service Act of 1990, as amended (42 USC 12653 through 12653d).

AmeriCorps grantees recruit and train individuals as AmeriCorps members. Full-time AmeriCorps members receive a living allowance and are eligible for health insurance and childcare benefits (if they are not otherwise covered while participating in the program). After completing the required term of service and satisfactorily completing the program, the AmeriCorps members receive a voucher crediting them with a post-service educational benefit, which may be used to pay off qualified student loans or pay qualified education costs. The Corporation’s National Service Trust Fund records the Federal liability for an AmeriCorps member’s education benefit, and, upon application from the AmeriCorps member and the lender or educational institution, transmits the funds to the lender or institution. AmeriCorps members who successfully complete a term of service are also eligible for the payment of interest on qualified student loans that accrue during a period of national service forbearance.

Source of Governing Requirements

The AmeriCorps program is authorized under the National and Community Service Act of 1990 (42 USC 12501 et seq.) and the implementing regulations found in 45 CFR parts 2510 through 2529.
III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for a Federal program, the auditor should first look to Part 2, Matrix of Compliance Requirements, to identify which of the 14 types of compliance requirements described in Part 3 are applicable and then look to Parts 3 and 4 for the details of the requirements.

A. Activities Allowed or Unallowed

1. Funding is provided to carry out a full- or part-time national service program. Activities allowed include recruiting, training and supervising AmeriCorps members, paying living allowances to AmeriCorps members, paying health insurance premiums and child-care benefits for eligible AmeriCorps members, paying certain employment-related taxes, paying staff and other costs for program management, internal evaluations, and reimbursement of grantee administrative costs (42 USC 12572, 12574, and 12594; 45 CFR sections 2520 to 2529; 2540 to 2543; and 2545 to 2550).

2. Among restrictions governing Corporation assistance, grant funds may not be used to provide a direct benefit to any business organization organized for profit, labor union, religious activities, i.e. provide religious instructions, conduct worship services or proselytizing, or assist or deter union organizing, impair existing contracts for services, organize protests or petitions, or finance the outcome of an election to Federal, State or local public office (42 USC 12584 and 12634; 45 CFR section 2520.65).

E. Eligibility

1. Eligibility for Individuals

AmeriCorps members must be citizens, nationals, or lawful permanent resident aliens of the United States, and must be not less than 17 years old at the time of enrollment into the program. The statute does, however, permit certain types of programs to enroll participants who are out of school youths at least 16 years of age (42 USC 12591; 45 CFR section 2522.200). The regulations (45 CFR sections 2522.200(c), (d), and (e)) describe acceptable documentation for determining status as a citizen, national, or lawful permanent resident alien of the United States.

Living allowances are paid on the basis of an AmeriCorps member’s selection and enrollment as a full-time participant in a program. The living allowance that an AmeriCorps member receives is not to be considered or treated as a wage or a salary. The installment payments of living allowances are not dependent upon the actual number of hours actually spent on service. Most full-time AmeriCorps members are to receive a living allowance during the installment period of at least 100 percent, but not more than 200 percent, of the total average annual subsistence allowance provided to VISTA volunteers. For particular program
years, the limits on the living allowances are as follows (42 USC 4955 and 12594; 45 CFR section 2522.240):

</tbody>
</table>

Current information on the minimum and maximum amounts of AmeriCorps living allowances is available from the Office of the Director of AmeriCorps at the Corporation’s Headquarters at (202) 606-6926.

While most full-time AmeriCorps members cannot receive a living allowance higher than the maximum amount set forth above, the statute permits professional corps members to receive a living allowance in excess of the maximum allowance authorized in the statute. However, in this instance, Corporation funds may not be used to pay for any portion of the living allowance (42 USC 12594(c); 45 CFR section 2522.240).

An AmeriCorps member who is authorized to serve a reduced term of service may be provided a prorated living allowance for that authorized reduced term of service (42 USC 12593 and 12594; 45 CFR sections 2522.220 and 2522.240).

2. **Eligibility for Group of Individuals or Area of Service Delivery** - Not Applicable

3. **Eligibility for Subrecipients** - Not Applicable

G. **Matching, Level of Effort, Earmarking**

1. **Matching**

   a. **Operational Costs** - Except for living allowances, child-care allowances (if applicable), health insurance premiums (if applicable), and certain employment-related taxes, the Corporation’s share of the cost of activities carried out under the grant cannot exceed 75 percent. However, the terms of AmeriCorps program grants often require programs to provide higher operational matching amounts than 25 percent. The program must provide its matching amount in the form of cash, or in kind, fairly evaluated, including facilities, equipment, or services. The program may provide for its operational matching amount through State sources, local sources, or other Federal sources. The Corporation may waive, in whole or in part, the minimum match requirement (25 percent) in any fiscal year if the Corporation determines that such a waiver would be equitable due to a
lack of available financial resources at the local level (42 USC 12571(e); 45 CFR section 2521.45 and 2521.70).

b. Member Support Costs - The Federal share, including Corporation and other Federal funds, of the living allowance provided to an AmeriCorps member may not exceed 85 percent of the minimum required living allowance. The grantee must provide the remaining funding for living allowances from non-Federal cash sources. The Corporation will pay up to 85 percent of the cost of health care coverage that includes the minimum benefits specified by the Corporation. The Corporation specifies the minimum benefits required as part of its grant provisions (42 USC 12594(a) and (d); 45 CFR sections 2522.240(b)(5) and 2522.250(b)).

c. Beginning in FY 2006, unless the Corporation grants a waiver, the grantee’s required share of program costs, including member support and operating costs, will incrementally increase to a 50 percent overall share by the tenth year and any year thereafter that it receives a grant without a break in funding of 5 years or more (45 CFR sections 2521.60 and 2521.80). The timetable is included in 45 CFR section 2521.60(a). Other requirements that govern matching are included in 45 CFR sections 2521.35, 2521.40, 2521.45, and 2521.50.

d. For grants funded from the Corporation’s FY 2008 appropriations, grantees are required to meet an overall minimum share requirement of 24 percent for the first three years that they receive AmeriCorps funding. Grantees in their fourth or subsequent years of funding will be required to meet the overall minimum share requirements specified in 45 CFR section 2521.60. The Corporation coordinates the implementation of this provision for those grantees that were covered under its minimum share requirements implemented by regulation in 2005 (paragraph III.G.1.c, above). These overall matching requirements override the separate member support and operating expense matching requirements specified in paragraphs III.G.1.a and III.G.1.b, above. Grantees may apply for and receive a waiver of the overall matching requirements under 45 CFR section 2521.70 (Pub. L. No. 110-161, Division G, Section 407).

2. Level of Effort - Not Applicable

3. Earmarking

No more than five percent of assistance provided by the Corporation can be used for the combined administrative expenses of the grantee and its subgrantees (42 USC 12571(d); 45 CFR sections 2521.30(h) and 2540.110).
L. Reporting

3. Special Reports

   The following two forms are submitted to the Corporation for each AmeriCorps member and are used by the Corporation to support the member’s eligibility for a post-service education benefit. A roster of members enrolled/completed during the period should be obtained from the Corporation, to assure that the universe of forms submitted, as provided by the entity, is complete. Rosters may be obtained by contacting the Corporation’s Director of Trust Operations at (202) 606-7546

   a. National Service Enrollment Form (OMB No. 3045-0006) - This form is used by the Corporation to enroll participants in the AmeriCorps program and the National Service Trust. CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

CFDA 94.011  FOSTER GRANDPARENT PROGRAM
CFDA 94.016  SENIOR COMPANION PROGRAM

I. PROGRAM OBJECTIVES

Foster Grandparent Program grants are awarded to allow participants to serve as mentors, tutors, and caregivers for children and youth with special or exceptional needs. Foster Grandparents serve in community organizations such as schools, Head Start programs, and youth centers.

Senior Companion Program grants are awarded to allow participants to provide assistance and friendship to older persons with special needs who are homebound and usually living alone. By taking care of simple chores, providing transportation to medical appointments, and offering contact to the outside world, Senior Companions often provide the essential services that keep older persons from having to enter nursing homes. They also assume the duties of informal caretakers for short periods of time to give the caretakers a respite from their duties.

II. PROGRAM PROCEDURES

The Corporation for National and Community Service (Corporation) awards Foster Grandparent and Senior Companion program grants only to State and local public agencies and private nonprofit organizations that have the capability to administer such grants. These sponsors are legally responsible for all programmatic and fiscal aspects of the project, and may not delegate or contract this responsibility to another entity. Consequently, the program has no subrecipients (42 USC 5011(a) and 5013(a); 45 CFR sections 2551.22 and 2552.22).

In both programs, participants aged 60 and older serve from 15 to 40 hours per week and, if they meet income eligibility requirements, may receive small stipends and other direct benefits to help offset the costs of serving. In addition, participants who do not meet the income eligibility requirements may serve as non-stipended Foster Grandparents or Senior Companions. Those participants receive all direct benefits, other than the stipend, to offset the costs of serving (42 USC 5011(a) and 5013(a); 45 CFR sections 2551.102 and 2552.102).

Prospective sponsors submit applications for Foster Grandparent or Senior Companion grants to the Corporation, which reviews them and makes final funding decisions (45 CFR sections 2551.91 and 2552.91).

Source of Governing Requirements

These programs are authorized under the Domestic Volunteer Service Act of 1973, Title II (42 USC 5000 et seq.) and their implementing regulations found in 45 CFR parts 2251 and 2552.
III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for a Federal program, the auditor should first look to Part 2, Matrix of Compliance Requirements, to identify which of the 14 types of compliance requirements described in Part 3 are applicable and then look to Parts 3 and 4 for the details of the requirements.

A. Activities Allowed or Unallowed

1. Grant funds may be used for stipends for participants who meet income levels set by the Corporation (42 USC 5011(a) and (d) and 5013(a) and (b); 45 CFR sections 2551.45 and 2552.45).

2. Grant funds can also be used for other direct benefits for stipended Foster Grandparents and Senior Companions, such as: transportation costs; physical examinations; accident, liability, and excess automobile insurance covering participants during their volunteer activities; meals; and, costs for recognition of participants’ volunteer efforts. Grant funds are also available for budgeted amounts of staff, office space, staff travel, and other administrative costs of the organization sponsoring the program (42 USC 5011(a) and (d) and 5013(a) and (b); 45 CFR sections 2551.45 and 2552.45).

3. No Federal or required non-Federal funds can be used to pay any costs, including direct benefits or administrative costs, associated with non-stipended Foster Grandparents and Senior Companions (42 USC 5011(f)(4) and 5013(b); 45 CFR sections 2551.104 and 2552.104).

4. Foster Grandparent and Senior Companions grant funds may not be used to influence the outcome of any election to public office, to facilitate voter registration, or to provide voters or prospective voters with transportation to the polls. Grant funds may not be used by the non-Federal entity in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except (a) when a legislative body or committee requests a program sponsor or participant to draft, review or testify regarding measures or make representations to the legislative body or committee, or (b) in connection with an authorization or appropriations measure directly affecting the operation of the Foster Grandparent Program and/or Senior Companion Program (42 USC 5043(c); 45 CFR sections 2551.121 and 2552.121).

5. No Foster Grandparent or Senior Companion grant funds shall be directly or indirectly used to finance labor union or anti-labor union organization or related activity (42 USC 5044(d); 45 CFR sections 2551.121(d) and 2552.121(d)).
E. Eligibility

1. Eligibility for Individuals

   a. Foster Grandparents and Senior Companions who are paid stipends must be at least 60 years old, meet applicable income guidelines, and be physically, mentally, and emotionally capable of serving on a person-to-person basis. Income eligibility is based on the applicant’s total annual income (including the total annual income of the applicant’s spouse), less allowable medical expenses. To be eligible, an applicant’s income must fall below eligibility levels specified by the Corporation (generally set at 125 percent of the poverty level annually established by the Department of Health and Human Services). Eligibility levels vary by geographic area. The annual eligibility levels for all areas are available at Senior Corps website (http://seniorscorps.org) under “Manage Current Grants” and from the Corporation’s State Offices or the National Senior Service Corps at the Corporation’s headquarters at (202) 606-5000. Stipends for Foster Grandparents and Senior Companions are $2.65 per hour effective April 1, 2002. This may be increased by the Corporation from time to time. Current information on the amount of the hourly stipend is also available from the Corporation’s State Offices or from the National Senior Service Corps at the Corporation’s headquarters (42 USC 5011 and 5013; 45 CFR sections 2551.42 and 2552.42).

   Foster Grandparents and Senior Companion programs may enroll persons who are at least 60 years old, but who do not meet the income guidelines as non-stipended Foster Grandparents or Senior Companions (45 CFR 2551 subpart J and 2552 subpart J).

   b. As of November 23, 2007, grantees must perform criminal history checks for all candidates to become Foster Grandparents, Senior Companions and/or to be employed as grant-funded staff who will have contact on a recurring basis with children, frail adults, persons with disabilities, or other potentially vulnerable individuals. For these individuals, grantees must conduct State criminal registry checks and National Sex Offender Public Registry (NSOPR) checks. For Foster Grandparents, Senior Companions and covered grantee staff who are serving as of November 23, 2007, only the NSOPR check is required. The NSOPR check on these volunteers and staff must be completed by February 22, 2008. An individual who is registered, or required to be registered, on a State sex offender registry, is ineligible to serve. Grantees may adopt other disqualifying offenses. An individual who refuses to consent to a criminal registry check is also ineligible to serve (45 CFR sections 2551.26 through 2551.32, 2551.42, 2552.26 through 2552.32, and 2552.42).

2. **Level of Effort** - Not Applicable
