Dear Office of Information and Regulatory Affairs Hunt:

I am a Senior Citizen and am 75 years young. I go hiking and sincerely want a safe environment for myself and my grandchildren. Considering anyone over 70 as only 64 % as valuable is an insult. This thinking can hurt young children too.I have worked as a School Nurse and know that your thinking is faulty. I heard about this issue from 20/20 Vision but I will be talking to my friends about your favoritism for industry.

Sincerely,

Marilyn H Slater
