Name of Guidance:

Procurement

Regulating Agency:

All Agencies

Subagency (if any):

Citation (Code of Federal Regulation):

Authority (Statute/Regulation):

Description of Problem (Nature of Impact and on Whom):

Too much paperwork involved in solitations from all Federal agencies.
Currently solitations have questions to be answered by a prospective

vendor usually only requiring a check mark spread throughtout the
multitude of paperwork. This leads to handling a lot of paper and missed
answers to questions. It also required a lot of paper being

mailed back to the government agency.

Proposed Solution:

Too much paperwork involved in solitations from all Federal agencies.

Currently solitations have questions to be answered by a prospective

vendor usually only requiring a check mark spread throughtout the multitude of paperwork. This leads to handling a lot of paper and missed answers to questions. It also required a lot of paper being

mailed back to the government agency.

Estimate of Economic Impacts (Quantified Benefits and Costs if possible / Qualified description as needed):

Too much paperwork involved in solitations from all Federal agencies.

Currently solitations have questions to be answered **by** a prospective

vendor usually only requiring a check mark spread throughtout the multitude of paperwork. This leads to handling a lot of paper and missed answers to questions. It also required a lot of paper being

mailed back to the government agency.
