Description of Problem (Nature of Impact and on Whom):

The rules keep expanding almost to the point where anytime someone is out sick under the guidance of a doctor that we automatically send out paperwork. Its very gray in terms of how to manage this - having clearer specifications would definitely be of use i.e. a cold generally isnt however if theyre off on Friday with it and also on Monday thats 3 business days and also went to the doctor - it may be a qualifying event.

Proposed Solution:

The rules keep expanding almost to the point where anytime someone is out sick under the guidance of a doctor that we automatically send out
