Dear Robert,

I am transmitting an update on the use of the Emergency Response Fund (ERF) appropriations. This report covers the use of the \$40 billion provided by P.L. 107-38, the FY 2001 Emergency Supplemental Appropriations Act for Recovery from and Response to Terrorist Attacks on the United States, and P.L. 107-117, the FY 2002 Department of Defense and Emergency Supplemental Appropriations for Recovery from and Response to Terrorist Attacks on the United States. As of the end of August, the Executive Branch agencies have utilized all but two tenths of one percent of the amount appropriated. Almost all of the few remaining funds are supporting projects in various stages of completion. Please see the attached tables for details.

Sincerely,

Rob Portman

Enclosure

Identical Letter Sent to The Honorable Thad Cochran, The Honorable Jerry Lewis, and
